The screenshot shows a Windows-style window titled "Setup" with a small icon on the left and standard minimize, maximize, and close buttons on the right. Below the title bar, the word "Password" is displayed in bold. To the right of the text is a large orange icon of a box with a green arrow pointing into it. The main area of the window contains the instruction "Please provide a password for the database superuser (postgres)." followed by two input fields. The first field is labeled "Password" and the second is labeled "Retype password". Both fields contain a series of asterisks to mask the input. At the bottom left of the window, the text "InstallBuilder" is visible. At the bottom right, there are three buttons: "< Back", "Next >", and "Cancel".

Setup

Password

Please provide a password for the database superuser (postgres).

Password

Retype password

InstallBuilder

< Back Next > Cancel
